Ref: notification of the annual conference of Victim Support Europe

Dear Sir/Madam,

On behalf of **Victim Support Europe**, the German Victim Support organisation WEISSER RING will organise the

24th Annual Conference of Victim Support Europe

on the 27th and 28th of May 2010

**in the Konrad-Adenauer Stiftung, Tiergartenstrasse 35
Berlin**

This year the main topic of the Conference will be

Justice for Victims of Crime in Europe

During the plenary sessions speakers from the European Commission, the Ministry of Justice in Germany and experts in the field of victimology and provision of victim support will give new insights in the way victims of crime are supported throughout Europe. Workshops will be organised during which specific themes will be highlighted. The Lisbon Treaty, emerging demands for victim support and the way we deal with victims of organised crime and human trafficking are some of the topics that will be discussed. Last but not least, the conference will give all participants the possibility to meet colleagues from all over Europe and share new ideas and insights.

One of the workshops is dedicated to our member organisations' own projects, so we would like to take this opportunity to invite everyone who wishes to present a workshop to get in touch. If you are interested in giving a workshop or if you have any further questions please feel free to contact the Head Office of Weisser Ring Germany.
