

SEMINAR VICTIMS OF TERRORISM IN EUROPE

The Seminar Victims of Terrorism in Europe will be held in 21-22 October 2010 in Lisbon, Portugal. This is an important opportunity for researchers, professionals and journalists interested in the subject of the support to victims of terrorism, as well as their families and friends.

The Seminar Victims of Terrorism in Europe will focus on two main dimensions and approaches: the role of the Media and the role of Victim Support organisations. On the first day of this event, participants will have the opportunity to hear the personal testimony of victims, families and friends of victims of terrorism and ask them questions. Also during the Seminar a European manual on how to support victims of Terrorism, their families and friends will be presented.

This seminar will be organized by APAV - Portuguese Association for Victim Support, in cooperation with the Network of Associations of Victims of Terrorism, following the activities of Project PAX, co-financed by the European Commission - Programme Prevention of and Fight against Crime.
